

QUANTCAST BUYER TERMS

If Company has an active, duly executed contract for one or more of the Services, that existing agreement will govern Company's use of such Services within the scope of such agreement instead of these Quantcast Buyer Terms ("Agreement").

These Quantcast Buyer Terms ("Agreement") are a legally binding contract between Quantcast and Company. "**Company**" means (A) when an individual accepts this Agreement on his or her own behalf, such individual, or (B) when an individual accepts this Agreement on behalf of a company or other legal entity, that company or legal entity. "**Quantcast**" means (X) Quantcast Corp. if Company is domiciled in the United States, (Y) Quantcast Australia Pty. Ltd. if Company is domiciled in any country or territory located in the Asia Pacific (APAC) region and (Z) Quantcast International Limited if Company is domiciled in any other country or territory.

Quantcast may modify this Agreement. Quantcast will notify Company by making the revised version available on this page or an identified successor page, and an updated revision date will indicate that changes have been made. If Company does not accept the changes, Company must stop using the Services. Company's continued use of the Services after Quantcast publishes changes means that Company consents to the updates.

1. Incorporated Terms

This Agreement incorporates the following additional terms ("**Incorporated Terms**"), as updated from time to time:

- [Quantcast Campaign Policy](#) ("**Campaign Policy**")
- [Privacy Implementation for Quantcast Buyers](#) ("**Privacy Implementation**")
- [US State Data Privacy Addendum](#), to the extent the Services include processing Personal Information subject to U.S. State Privacy Laws (as defined in such Addendum) ("**DPA**")
- [International Data Privacy Addendum](#), to the extent that the Services include processing Personal Data subject to International Privacy Laws (as defined in such Addendum) (also "**DPA**")
- Any applicable [Additional Terms](#) (defined below)

2. Services

2.1. "**Services**" means the Quantcast platform ("**Platform**") and, to the extent provided by Quantcast under this Agreement, Campaign Tags, Platform Data, and any other services provided by Quantcast. The Services may permit Company to purchase ad placements on third-party media (e.g., webpages, apps, video, and other content/properties) ("**Inventory**") that are made available by third-party providers ("**Inventory Providers**") and Third-Party Services (defined below). For clarity, the "Services" do not include Inventory or Third-Party Services.

2.2. Some Services may be subject to different or additional terms ("**Additional Terms**") that are described on the Additional Terms page linked above, in the Platform or otherwise made available to Company in writing. Unless the parties agree in writing for Quantcast to provide campaign management services or professional services, the Services do not include those services.

3. Accounts and Authorized Users

3.1. Company will ensure its account information is accurate and current. Company will promptly notify Quantcast of any accidental disclosure or unauthorized use of Company access credentials. Quantcast

may review and, if needed, correct, the information and setup associated with Company's account and Authorized Users. Company must obtain Quantcast's prior written consent before adding third-party Authorized Users (i.e., non-employees) and Quantcast may require such third-party Authorized Users to enter into separate terms with Quantcast.

3.2. **“Authorized User”** means an individual authorized by Company to use Company’s account on the Platform and/or to work directly with Quantcast to use the Services on Company’s behalf. Each Authorized User must use unique access credentials. Company is solely responsible for all Authorized Users, the level of permissioning of each Authorized User, and all activity under its account, including the confidentiality of all access credentials. Without limiting the foregoing, Company will immediately notify Quantcast of any accidental disclosure or unauthorized use of any access credentials. Company will ensure that all Authorized Users use Company’s account solely on behalf of Company, and are aware of, and comply with, this Agreement. For the avoidance of doubt, Company is liable for any breach of this Agreement by any Authorized User.

4. Company Clients

If Company is using the Services on behalf of third-party clients (**“Clients”**), Company represents and warrants that it has all rights and authorizations needed to do so. Company will only use the Services for Clients with which Company has a direct written agency agreement and will obligate its Clients to comply with this Agreement, including the Incorporated Terms. Company is responsible for the actions and/or inactions of Clients and for ensuring their compliance.

5. Fees and Payment

5.1. Fees will be provided in the Platform or by other written means.

5.2. Unless Quantcast approves a different payment arrangement in writing, Company authorizes Quantcast to charge amounts owed under this Agreement to Company’s credit card, via automatic ACH, or such other similar payment method, at Quantcast’s option. Company will provide its most current credit card and/or other information required to complete payment, and keep such information updated if it changes. For the avoidance of doubt, if Company makes credit card, wire transfer or ACH payments or such other similar payment method, Company agrees to the applicable third-party terms as set forth in the Additional Terms. If Quantcast authorizes Company to pay invoices in arrears, Company will pay invoices within thirty (30) days of the invoice date. Quantcast may revise Company’s credit limit, require prepayment, or adjust permitted payment methods at any time in its sole discretion. Quantcast may charge interest at a rate of 2% per month (or the legal maximum, whichever is lower) for late payments. Company is responsible for reasonable out-of-pocket costs that Quantcast incurs to collect unpaid invoices. All payment obligations are non-cancelable and all amounts paid for Services provided are non-refundable. If Company requires a purchase order to make payments, Company will include the corresponding purchase order number in the Platform. All amounts due must be paid without setoff or deduction.

5.3. Company is solely responsible for all amounts due for any Third-Party Services that Company opts to use. Company acknowledges that any charges for Third-Party Services shown in the Platform or otherwise provided by Quantcast are based on the information Quantcast receives from the third parties and are subject to the final amounts charged by such third parties.

5.4. Quantcast is the system of record and is solely responsible for calculating all metrics related to the Services, including all amounts owed under this Agreement. Company acknowledges that all metrics, fees and other amounts shown in Platform are preliminary and final amounts will be as confirmed, invoiced or billed by Quantcast.

5.5. All charges under this Agreement are exclusive of all taxes and duties, if any. Company is responsible for and must pay all sales and use or other transactional taxes and duties including interest and penalty imposed on the amounts charged hereunder, or from the performance of this Agreement for which Quantcast issues an invoice. Company will promptly reimburse Quantcast for any such tax or duty and indemnify Quantcast and hold Quantcast harmless for any such taxes and duties that Quantcast must pay to a tax authority for which Company is responsible. If Company claims a tax exemption, Company must provide Quantcast with appropriate exemption certificates or documentation charges (including, without limitation, VAT or GST) acceptable to tax authorities.

6. Services License and Requirements

6.1. Company may use the Services solely as set forth in this Agreement. Subject to this Agreement, Quantcast grants Company a limited, non-exclusive, non-transferable, and non-sublicensable license to

(a) access and use the Services on a self-serve basis, and (b) use the Platform Data presented via the Services solely for the purpose of using the Services.

6.2. Company will obtain all rights necessary to perform tracking and analytics, and store and serve the advertisements (“**Ads**”) associated with Company’s campaigns (“**Campaigns**”). Company will not use the Services with Ads, Company Media, other content or products or services that violate any applicable laws, regulations, third-party rights, or this Agreement including the Incorporated Terms. If Company asks Quantcast to take actions on behalf of Company or otherwise assist with Company’s use of the Services, Company consents to the actions and/or inactions that Quantcast takes on its behalf and retains sole responsibility for such assisted use of the Services.

6.3. Company will not: (a) attempt to circumvent any Services security measure, (b) share its access credentials, (c) grant direct or indirect access to the Services to any third-party (other than an Authorized User of a Client, if applicable), (d) reproduce, distribute, modify, prepare derivative works of, translate, reverse engineer, reverse compile, or disassemble the Services, including Platform Data, (e) introduce viruses or other malware into the Services or to end users, (f) share reports generated by the Services with any third-party (other than the relevant Client or a third party service provider to Company who is obligated to treat such reports confidentially) or (g) use information collected during the course of Campaigns (e.g., via Company’s own tag, third party tags, etc.) outside Company’s use of the Services, including to create or enrich profiles of individual end users, including regarding third-party media (e.g., webpages, apps, video and other content/properties) that the end users have visited or the content or general interest area of such media. For example, Company may not create an audience of a particular publisher’s end users based on information derived or obtained by using the Services.

6.4. For the avoidance of doubt, Quantcast may collect analytics information about its customers’ use of the Services (e.g., how Authorized Users engage with the Platform user interface, etc.) for purposes of understanding how its customers use the Services and providing, customizing, and improving the Services.

6.5. Quantcast reserves the right but not the obligation to place the AdChoices icon (or a similar icon) on Ads that do not already include such icon.

6.6. Except as expressly set forth in this Agreement, neither party grants the other party any rights, express or implied, and each party reserves all rights. If Company provides Quantcast with feedback regarding the Services, Company hereby grants Quantcast a perpetual, irrevocable, fully paid up right and license to such feedback, without accounting, attribution, or compensation to Company.

7. Data Issues

7.1. Data Definitions:

7.1.1. “**Aggregated Data**” means generalized, combined data from numerous campaigns of multiple Quantcast customers, including Company, that concerns campaign parameters, goals, or performance results of such campaigns and that does not permit identification of Company or any other Quantcast customer of the Services.

7.1.2. “**Campaign Data**” means the campaign-related reporting data generated in the course of the Services and provided to Company under this Agreement, such as Campaign performance reports. For the avoidance of doubt, Campaign Data does not include Tag Data.

7.1.3. “**Campaign Tag**” means a tag, pixel or other element provided by Quantcast to Company for Company or Clients to place on Company Media to enable the collection of Tag Data under this Agreement. For clarity, the term “Campaign Tags” does not refer to any ad serving tags or Measure tags provided by Quantcast (i.e., if Company elects to use Quantcast ad serving or Quantcast Measure).

7.1.4. “**Company Data**” means all information and materials that are onboarded to Company’s account in the Platform, whether directly or via a third-party (e.g., an onboarding service provider).

Without limiting the foregoing, Company Data includes all Campaign parameters (the data entered into the Platform for a Campaign such as name, budget, targeting strategy, etc.), Tag Data and any data onboarded by or on behalf of Company (e.g., first and/or third-party audiences and other data). Company Data is a subset of Company’s Confidential Information.

7.1.5. “**Company Media**” means the Ads, websites, apps and other digital properties and content on which Company or Clients place Campaign Tags.

7.1.6. **“Model”** means the predictive profile of shared attributes and characteristics of a group of end users that Company desires to reach in a Campaign, created algorithmically by deriving observations from Company Data and Platform Data. For the avoidance of doubt, Models do not include any data at individual end user level or any end user-level identifiers that may be used to distinguish one end user from another end user (such as an end user ID or IP address).

7.1.7. **“Platform Data”** means the data residing in the Platform or otherwise generated or used in connection with the Services that does not constitute Company Data or Campaign Data, including Aggregated Data, Models, and third-party data (**“Third-Party Data”**). Some Platform Data may be presented to Company in the Platform user interface while other Platform Data may be used by the Platform on the back end (i.e., behind the scenes) to provide the Services. Platform Data is a subset of Quantcast’s Confidential Information.

7.1.8. **“Tag Data”** means the data collected via Campaign Tags.

7.2. Company Data: As between the parties, Company Data is the exclusive property of Company and/or the applicable Client. As to all Company Data (whether provided by Company, Client or a third-party on Company’s or a Client’s behalf), Company represents and warrants that it has sufficient rights to provide Company Data for use by Quantcast in compliance with this Agreement. Quantcast may use Company Data solely in compliance with the DPAs (including to create Models for Company, deliver Campaigns and create audience insights, etc.). Quantcast will not share Company

Data with any third-party except to the extent that Company requests third-party services that utilize Company Data (e.g., third-party measurement), Company Data is included as a customary field in the data accessible to Inventory Providers and other technical service providers (e.g., bidstream and reporting data) or as otherwise authorized by Company. In addition, Quantcast may use non- Company-identifiable inferences made from Tag Data to produce, and as contained in, the Aggregated Data.

7.3. Platform Data: As between the parties, Platform Data is the exclusive property of Quantcast (or its third-party partners). Company may use Platform Data (whether directly, to the extent presented to Company in the Platform, or indirectly, to the extent used by the Platform to enable the Services) solely internally and solely for the purpose of using the Services as described in this Agreement. As to any Platform Data that Company can access and export using the self-serve features of the Platform, Company will not share such Platform Data with any third-party except, if applicable, Company’s Client(s) that such Platform Data pertains to and/or third-party service providers who are each under confidentiality restrictions, and subject to the terms of this Agreement. If Quantcast provides Company with Platform Data outside the self-serve features of the Platform (e.g., further detail about available audiences, etc.), such Platform Data is subject to any applicable Additional Terms. Company will not attempt to extract or recreate any Third-Party Data or other Platform Data that is not readily accessible via the normal functionality presented in the Platform or assemble similar data or audience segments itself (directly or indirectly through a third-party) on the basis of Third-Party Data or other Platform Data or information derived from the use of such data under this Agreement.

7.4. Campaign Data: Company may use Campaign Data for its internal business purposes provided that (a) it complies with its privacy policy, (b) it complies with the terms of this Agreement, and (c) it does not disclose Campaign Data to any third-party except, if applicable, Company’s Client(s) that such Campaign Data pertains to and/or third-party service providers who are each under confidentiality restrictions, and subject to the terms of this Agreement. Quantcast may use Campaign Data (i) to provide the Services, and (ii) within a customary field in the data accessible to Inventory Providers and other technical service providers (e.g., bidstream and reporting data) or as otherwise authorized by Company.

7.5. Models: Models reside solely within the Platform and are not directly accessible to Company. Company’s license above includes the ability to use Models as an integrated part of the Services, solely for the purpose of selecting and gaining insights about the end users that Company wishes to reach with its Campaigns. Quantcast will not share Models generated for the purpose of Company’s Campaigns with other customers.

7.6. Client Data: Upon request from a Client (or an authorized third party on Client’s behalf, including Company), Quantcast is authorized to use the Client Data associated with such Client in accordance with such request (including sharing such Client Data with another entity within the Quantcast Platform). For clarity, **“Client Data”** means the (i) Tag Data from Client websites, apps and/or other

digital properties; and (ii) Quantcast's proprietary analysis of such data. Client Data does not include any predictive models or data segments created using the Tag Data or any Campaign Data generated from Campaigns delivered using such Client Data.

7.7. No Off-Platform Use: Company will not use the Services, the Campaign Data, or any information derived from the Services, Models or Campaign Data to create or enrich profiles of individual end users or to retarget any end user except via the Services.

8. Compliance and Privacy

8.1. Each party will comply with all applicable laws and regulations (Quantcast in its provision of the Services in the form provided by Quantcast and Company in its use of the Services), including Applicable Privacy Laws and applicable self-regulatory principles, such as the Digital Advertising Alliance's Self-Regulatory Principles for Online Behavioral Advertising ("**DAA**") or the Network Advertising Initiative Code of Conduct ("**NAI**"). "**Applicable Privacy Laws**" means US State Privacy Laws and International Privacy Laws (defined in the linked DPAs). Company will comply with the Incorporated Terms.

8.2. Company will not use the Service or any Third Party Service with any (a) Direct Identifiers, any special or sensitive categories of personal data as defined by Applicable Privacy Laws, including by placing Campaign Tags on Ads or Company Media whose content reveals special or sensitive categories of personal data of an end user, or personal data relating to criminal offenses or criminal convictions; or

(b) any data of children, including by placing Campaign Tags on Ads or Company Media directed at children; or (c) data related to any end user that has requested deletion or opted out (collectively, "**Prohibited Data**"). "**Direct Identifier**" means any information that identifies a particular individual without additional information, including name, address, mobile number, email address, financial account number or government-issued identifier. Direct Identifiers do not include pseudonymous identifiers such as IP address, cookie ID and certain hashed identifiers (e.g., email addresses that have been encoded using a cryptographic hashing function to obfuscate the email). For purposes of this Agreement, "**children**" refers to anyone age 18 or under or such other age specified by Applicable Privacy Laws under which the processing of personal information is prohibited or requires opt-in or parental consent.

8.3. Company represents and warrants that it is not a covered entity under the Health Insurance Portability and Accountability Act ("HIPAA"), and does not have equivalent status under comparable local or international laws and regulations. If Company is using the Services on behalf of Clients, Company represents and warrants that Clients are not covered entities under the Health Insurance Portability and Accountability Act ("HIPAA"), and do not have equivalent status under comparable local or international laws and regulations.

9. Third-Party Services

9.1. If Company uses any third-party branded product or service in connection with the Services (including Third-Party Data made available for use via the Services) ("**Third-Party Service**"), the following additional terms apply.

9.2. Company is solely responsible for complying with any applicable third-party terms and requirements. For Third-Party Services offered via the Platform, such third-party terms and requirements may be provided in the Platform, the Additional Terms, otherwise by Quantcast or by the third-party.

9.3. Quantcast is not responsible for Third-Party Services and makes no representations as to such services, including their privacy practices. Quantcast cannot guarantee continued availability or pricing of Third-Party Services and may stop enabling access to them without liability. Company may be required to register for or log into Third-Party Services on their respective websites or to share Company Data with Third-Party Services (e.g., services requiring data integration).

10. Marketing, Publicity

Quantcast may include Company's name and logo in descriptions of Quantcast's partners on its website, in media, in promotional materials, and in the Platform. Company will not use Quantcast's name or logo without prior written permission. All goodwill from the use of Quantcast's name or logo inures to Quantcast. Neither party will make a press release or any other public statement about this Agreement without the other party's prior agreement.

11. Confidentiality

“Confidential Information” means information that the disclosing party identifies as confidential or the receiving party should reasonably understand to be confidential given the circumstances of the disclosure and the nature of the information. Confidential Information does not include information that the receiving party can demonstrate: (a) it knew without restriction before receipt from the disclosing party, (b) is publicly available through no fault of the receiving party, (c) it rightfully received from a third-party without a duty of confidentiality, or (d) is independently developed without use of or reference to Confidential Information. The receiving party may use Confidential Information only to fulfill its obligations under this Agreement and must use at least reasonable care to prevent any unauthorized use or disclosure of Confidential Information, but in any event no less stringent a standard than receiving party applies to its own Confidential Information. The receiving party may share Confidential Information with its employees, agents and contractors who need to know it, as long as they are bound to confidentiality obligations that are consistent with this Agreement, provided that the receiving party shall remain solely responsible for their compliance with this Agreement. If compelled to do so by law, the receiving party may disclose Confidential Information as long as it provides reasonable prior notice to the disclosing party (unless legally prohibited). For the avoidance of doubt, nothing in this Agreement prohibits Quantcast from using and sharing high level data that is compiled and summarized from the combination of Campaign Data with equivalent data generated by campaigns of other Quantcast customers, that does not allow identification of Company or Clients. Company will delete all Quantcast Confidential Information promptly upon termination of this Agreement.

12. Indemnity

12.1. Quantcast shall indemnify, defend and hold harmless Company and its directors, officers, employees and agents, and their respective successors, heirs and assigns (**“Company Parties”**) against any claim, liability, damage, loss or expense (including reasonable attorneys’ fees and costs) (**“Liabilities”**) incurred by the Company Parties in connection with any third-party claim (including any regulatory or governmental action) (**“Claim”**) that Quantcast’s proprietary technology that provides the Services, in the form provided by Quantcast, infringes any patent or other third-party intellectual property right. Company shall indemnify, defend and hold harmless Quantcast, its affiliated entities, and its and their directors, officers, employees and agents, and its and their respective successors, heirs and assigns (**“Quantcast Parties”**) against any Liabilities incurred by the Quantcast Parties in connection with any Claim arising out of or relating to (a) Company’s (including any Client’s, if applicable) use of the Services or Third-Party Services in violation of this Agreement; (b) Company Data or Ads; (c) the nature of Company’s or any Client’s products, services and industry, including without limitation any claims in the nature of product liability or any claim or allegation that such services or products are not in compliance with applicable industry-specific laws, or (d) breach of Sections 6.2, 6.3, 7 or 8.

12.2. The indemnified party will promptly notify the indemnifying party of any indemnified claim (provided that failure to notify promptly will only relieve the indemnifying party of its obligations to the extent it demonstrates material prejudice from the failure) and at the indemnifying party’s expense, provide assistance reasonably necessary to defend such claim. The indemnifying party will not enter into any settlement or compromise that does not fully absolve the indemnified party of liability.

12.3. Quantcast will have no obligation for any claim arising from or related to (a) compliance with Company specifications, (b) combination of the Services with products or services not supplied by Quantcast, (c) adaptation or modification of the Services or Campaign Data, (d) Company’s failure to follow instructions provided by Quantcast that would have cured the cause of action, (e) use of the Services or Campaign Data other than as described herein, or (f) Inventory or Third-Party Services selected and/or purchased by Company. In such cases, Company will indemnify, defend, and hold harmless the Quantcast Parties from and against any Liabilities arising directly or indirectly from such claims.

12.4. If Quantcast’s right to provide the Services is enjoined or in Quantcast’s opinion is likely to be enjoined, Quantcast may obtain the right to continue providing the Services, replace or modify the Services so that they become non-infringing or terminate this Agreement. Quantcast’s obligations as stated in this Section 12 are Quantcast’s sole and exclusive liability and Company’s sole remedy as to infringement.

13. Account Closure, Termination and Suspension

13.1. Company may close its account at any time via the Platform. Quantcast may terminate this Agreement upon notice for any reason or no reason. Sections 5, 6.6, 7 and 11-15 will survive account closure or termination of this Agreement, in addition to any other sections that by their nature would be presumed to, will survive account closure or termination.

13.2. Without limiting any other remedies, Quantcast may immediately suspend or terminate any individual Campaign, Authorized User's access, and/or Company or Client account, including if Quantcast in its sole discretion suspects that a Campaign, Authorized User, Client, or Company is in breach of this Agreement (including, without limitation, any failure to comply with the Incorporated Terms. If Quantcast suspends or closes Company's account, Company may not re-open an account without Quantcast's prior written approval.

14. DISCLAIMER, LIMITATION OF LIABILITY

14.1. QUANTCAST MAKES NO REPRESENTATIONS REGARDING PERFORMANCE OR THE RESULTS AND BENEFITS FROM THE SERVICES, OR THAT THE PLATFORM OR ANY INFORMATION WILL BE ACCURATE, ERROR-FREE, ALWAYS AVAILABLE OR OPERATE WITHOUT LOSS OR CORRUPTION OF DATA OR TECHNICAL MALFUNCTION. THE SERVICES ARE PROVIDED ON AN "AS IS" AND "AS AVAILABLE" BASIS. QUANTCAST EXPRESSLY DISCLAIMS ALL WARRANTIES, REPRESENTATIONS AND CONDITIONS OF ANY KIND, WHETHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO THE IMPLIED WARRANTIES, REPRESENTATIONS AND CONDITIONS OF MERCHANTABILITY, NON-INFRINGEMENT, OR FITNESS FOR A PARTICULAR PURPOSE, AND IMPLIED WARRANTIES ARISING FROM COURSE OF DEALING OR PERFORMANCE. QUANTCAST HAS NO LIABILITY FOR THIRD-PARTY SERVICES. QUANTCAST MAY MODIFY OR DISCONTINUE ANY OR ALL SERVICES AT ANY TIME, FOR ANY OR NO REASON, WITH OR WITHOUT NOTICE.

QUANTCAST AND THE SERVICES DO NOT PROVIDE LEGAL, REGULATORY OR COMPLIANCE ADVICE. COMPANY IS SOLELY RESPONSIBLE FOR DETERMINING AND COMPLYING WITH ALL LEGAL, REGULATORY AND OTHER REQUIREMENTS AND FOR OBTAINING ALL NECESSARY RIGHTS RELATED TO THE ADS AND AD CAMPAIGNS.

14.2. EXCEPT FOR CLAIMS RELATING TO INDEMNIFICATION (SECTION 12), NEITHER PARTY WILL BE LIABLE TO THE OTHER FOR ANY INDIRECT, SPECIAL, INCIDENTAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES (INCLUDING AS A RESULT OF DELAYS, LOSS OF DATA, LOSS OF USE OR LOSS OF PROFIT) ARISING OUT OF OR RELATED TO THIS AGREEMENT, HOWEVER CAUSED AND UNDER WHATEVER CAUSE OF ACTION OR THEORY OF LIABILITY BROUGHT (INCLUDING CONTRACT OR NEGLIGENCE), EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. NOTHING IN THIS SECTION 14.2 LIMITS ANY LIABILITY FOR FRAUD, FRAUDULENT MISREPRESENTATION, OR ANY OTHER LIABILITY WHICH CANNOT LEGALLY BE LIMITED.

14.3. EXCEPT FOR CLAIMS RELATING TO PAYMENTS DUE (SECTION 5), AND/OR INDEMNIFICATION (SECTION 12), IN NO EVENT WILL EITHER PARTY'S TOTAL AGGREGATE LIABILITY FOR ALL CLAIMS ARISING UNDER OR RELATED TO THIS AGREEMENT EXCEED THE GREATER OF (A) ONE HUNDRED THOUSAND U.S. DOLLARS (US \$100,000) OR (B) THE ACTUAL AMOUNT PAID AND/OR PAYABLE TO QUANTCAST FOR THE PROVISION OF SERVICES TO COMPANY IN THE TWELVE (12) MONTHS PRIOR TO THE DATE THE LIABILITY FIRST AROSE.

14.4. The limitations and exclusions contained in this Agreement represent the parties' agreement based upon the perceived level of risk associated with this Agreement and the payments made hereunder.

15. General.

15.1. This Agreement is the entire agreement of the parties relating to the Services and it supersedes all other commitments and understandings with respect to the Services. For the avoidance of doubt, this Agreement does not apply to or include Quantcast Measure. To the extent that Incorporated Terms conflict with the main body of this Agreement, the Incorporated Terms will control. Any other terms included in a purchase order or similar document will be of no force and effect.

15.2. Except for Quantcast's right to make changes as described herein, no changes to this Agreement are effective unless such changes are in writing and signed by Quantcast.
